Montana Elk Auction Permit Proposal

FWP Commission Meeting

August 15, 2019

THE ROCKY MOUNTAIN ELK FOUNDATION:

The Rocky Mountain Elk Foundation (RMEF) is a nonprofit organization dedicated to ensuring the future of elk, other wildlife, their habitat and our hunting heritage by:

- Conserving, restoring and enhancing natural habitats;
- Promoting the sound management of wild, free-ranging elk, which may be hunted or otherwise enjoyed;
- Fostering cooperation among federal, state and private organizations and individuals in wildlife management and habitat conservation; and
- Educating members and the public about habitat conservation, the value of hunting, hunting ethics and wildlife management.

To help achieve this mission, the RMEF would like to contract with the Montana Fish, Wildlife and Parks to participate in the auction of the proposed elk permit.

PREVIOUS INVOLVEMENT IN CONSERVATION:

To date, the RMEF has funded more than 11,818 projects in 49 states and 8 provinces including more than 1,044 projects in Montana alone. Of these Montana projects, many involve habitat enhancement where prescribed burns, range improvements and water developments are implemented to enhance the habitat of all wildlife whose ranges overlap with elk. All of our Montana projects impact elk habitat as well as other wildlife. For example the RMEF has funded projects in the following counties:

Beaverhead	Golden Valley	Meagher	Ravalli
Bighorn	Granite	Mineral	Sanders
Broadwater	Jefferson	Missoula	Silver Bow
Carbon	Judith Basin	Park	Stillwater
Deerlodge	Lake	Petroleum	Teton
Flathead	Lewis and Clark	Phillips	Valley
Gallatin	Lincoln	Pondera	Yellowstone
Garfield	Madison	Powell	

PREVIOUS AUCTION EXPERIENCE:

The RMEF employs various fundraising activities in order to generate the dollars to help meet our habitat project needs. Montana RMEF Chapters have set cumulative fundraising records the past 5 consecutive years and support of RMEF events has never been stronger. The Gallatin RMEF Chapter of Bozeman has been the top fundraising chapter for RMEF in Montana for the past several

years and continues to set chapter records for gross and net revenues. We believe that the Gallatin RMEF chapter has the best opportunity of our Montana fundraising events to generate the most funds for this auction tag.

Since 1987 we have annually auctioned a wide variety of special big game tags at our national event from 18 states and provinces. To date, we have raised more than \$13 million through the sale of these big game tags. Over the years individual state tags have sold for as much as \$385,000 (please see attached list of state permits). RMEF is well known for offering these premium tags and our special tag buyers seek them out at our events each year.

AUCTION METHOD

Should the tag be awarded to the RMEF, the elk tag will be auctioned during at our Gallatin RMEF Banquet in Bozeman, Montana, April 4th, 2020 between 8:00-9:30 p.m.

The Gallatin RMEF Banquet is one of the largest fundraising events for RMEF in Montana and the Gallatin RMEF Chapter is projected to be in the top 5 fundraising RMEF chapters in the country in 2019. The Gallatin RMEF Banquet event has sold out for the past several years at around 530 attendees and has set Gallatin Chapter fundraising records for the past 5 consecutive years.

The auction will be conducted by a professional auctioneer with more than 20 years of experience and RMEF will accommodate absentee bidders with phone bids and proxy-bidders.

ADVERTISING AND PROMOTING

The Gallatin RMEF Chapter will use email blasts, mailers, social media, radio and other advertising tools for this event. Personal phone calls and mailings will be made to the past tag buyers and back-up bidders. We will have phone bid and sealed bid options for those individuals not attending the event.

ESTIMATED REVENUE:

The RMEF auctioned the Montana Special Elk permit for \$47,500 last January. Based on a three-year average, we feel we will sell it for at least \$30,000-\$35,000 if not more.

You can see from the attached special permit history report that we have a well-founded track record for auctioning elk permits for premium prices.

RETAINER:

The RMEF will provide the Montana Fish, Wildlife & Parks a return of 90% and will retain 10% to cover auction expenses.

The activities and affairs of the corporation shall be managed and controlled by a Board of Directors composed of no less than 13 and no more than thirty-two (32) voting members. The maximum number of Directors may be increased or decreased from time to time by resolution adopted by three-quarters of the Directors. Provided, however, that if any Director is on a qualified leave of absence, or otherwise in a non-voting position, that Director's position shall not count toward the Board limit. No decrease in the number of Directors shall have the effect of shortening the terms of any incumbent Director. In the normal course of events, four (4) new Directors should be elected each year, and will constitute a year class.

2. Powers and Duties. All the corporation's powers are hereby vested in, and shall be exercised by, the Board of Directors except as the Board may delegate to officers or agents of the corporation.

3. Election and Term of Office. At any meeting chosen by a majority of the incumbent Directors, Directors may be elected by the incumbent Directors in accordance with

the procedures set forth in Section 9 of this article. The Directors (except Directors elected to fill a vacancy) shall hold office for the three-year period from the annual meeting following the meeting at which they are elected until the installation of Directors and Officers during the annual meeting held three years later. Directors may not serve more than two three-year terms consecutively; except that a Director who is elected to serve as Chairman in his or her sixth year may serve an additional (seventh) year on the Board. For purposes of this term limitation, service for fewer than eighteen months during a Director's term shall not constitute service of a "term", and service for eighteen months or more shall constitute service of a term. Past Directors having served two consecutive terms may be reconsidered for positions on the RMEF Board only after the lapse of three years during which the past Director has not served on the RMEF Board.

4. Leave of absence. Any Director may be granted a leave of absence from the Board of Directors so long as the leave is approved by a majority of the other Directors. A leave of absence will not extend the term of office of a Director. A Director granted a leave of absence shall be considered inactive, and shall not be entitled to serve on the Board or Executive Committee of the corporation while on the leave of absence.

5. Resignation. Any Director may resign at any time by giving written notice of such resignation to the Chairman of the Board and to other members of the Board of Directors.

6. Vacancies. Vacancies in the Board of Directors caused by any reason may be filled by a majority vote by the incumbent Directors and each person so selected shall be a Director for the remainder of the term of the vacating Director.

7. Removal. The Board of Directors may impose sanctions on any Director, up to and including removal from office, with or without cause. The sanction of removing a Director from office shall only be imposed by the affirmative vote of three-fourths (3/4) of all the voting members of the Board of Directors at any regular or special meeting called for that purpose. Any Director proposed to be removed shall be entitled to at least five (5) days' notice in writing by registered U.S. mail of the meeting of the Board of Directors at which such removal is to be voted upon and shall be entitled to appear before and be heard by the Board of Directors at such meeting.

8. Fees and Compensation. It is the general practice of RMEF that Directors are not compensated for providing services to RMEF. The Board of Directors may, by resolution, provide for reasonable reimbursement, if any, for the expenses incurred for the attendance at meetings or work for the corporation as Directors.

Though not encouraged, the Board of Directors shall have the power in its discretion to contract for and to pay to Officers, Directors and employees rendering unusual or exceptional service to the corporation, special compensation appropriate to the value of such services.

9. Election Procedures. At any meeting during each calendar year selected by a majority of the incumbent Directors, the incumbent Board of Directors shall elect new Executive Committee members, Directors, Chairman of the Board, and Vice Chairman of the Board, from those who qualify for such service. In addition, the incumbent Board may, at any meeting

selected by a majority of the voting members of the incumbent Board, accept nominations and elect new Directors to fill any vacancy in the Board of Directors, or to accept nominations and elect additional Directors, if additional Directors are desired, pursuant to the election procedures set forth below.

Prior to any election, and unless the Board of Directors, by a vote of at least two-thirds of Directors present establishes a different procedure for nominations, the Governance Committee, acting on behalf of the Board, will:

- (i) Make a call for recommendations for nominations at least ninety (90) days in advance of the meeting at which the election will be conducted. The recommendations for nominations shall be submitted to the Governance Committee no less than sixty (60) days prior to such election.
- (ii) Solicit information from candidates and hold an open meeting which may be followed by Executive Session for the purpose of determining whether to nominate candidates.
- (iii) At least twenty (20) days prior to any such election the Governance Committee will present nominations to the Board of Directors.

Consistent with these by-laws, nominations will include up to two (2) nominations for Chairman, up to three (3) nominations for Vice Chairman and up to seven (7) nominations for non *ex-officio* members of the Executive Committee. After the nominations are presented, but before voting on the nominations the Chairman will call for nominations from the floor. No person shall be permitted to be nominated from the floor for any position unless that person was recommended for nomination for an equal or higher position at least sixty (60) days prior to the meeting at which the elections take place and has participated in the collection of background information and such other requirements as the Governance Committee may impose on all candidates. The Board may proceed with elections in the following order: i) Director positions on the Board of Directors; ii) Chairman; iii) Vice Chairman; and iv) members at large of the Executive Committee.

Upon request of any incumbent Director, any election shall take place by secret ballot.

In the event there is a tie vote preventing election to any position or positions, there shall be a run-off election to fill the remaining position(s) consistent with the election procedures set forth below. Run-off elections for such position(s) will be held among those tying for a position and receiving the fewest number of votes. Notwithstanding any provisions in this Section 9 to the contrary, the positions of Chairman and Vice Chairman must be elected by a majority of the Board members voting at any election. In the event that a Chairman or Vice Chairman does not receive a majority of the votes cast, then the nominee receiving the fewest votes cast shall be removed from the ballot, and there will be another vote or votes until the positions are filled in accord with this requirement.

10. Founders. The four original founding members, Dan Bull, Charlie Decker, Bill Munson, and Bob Munson, shall have lifetime honorary status and always have the right to attend all Board meetings. The Board of Directors, except as otherwise provided in these Bylaws, may authorize any Officer or agent to enter into any contract or execute and deliver any instrument in the name of and on behalf of the corporation, and such authority may be general or confined to a specific instance; and unless so authorized by the Board of Directors, no Officer, agent, or employee shall have any power or authority to bind the corporation by any contract or engagement, or to pledge its credit or render it liable for any purpose or to any amount. The President/ CEO, Treasurer, and Secretary, or any Vice President specifically designated by the President to act in his or her absence, are given general authority to bind the corporation to contracts or engagements, to pledge its credit, or to render it liable for purposes or amounts, subject to the general policy making authority of the Board. Unless specifically stated otherwise, any authority granted by the Board to any Officer shall apply to any person properly serving in such capacity, regardless of any particular name utilized in such grant of authority.

ARTICLE IX

Publication

The corporation shall from time to time publish and disseminate information to the general public through seminars, magazines, newsletters, its website, email, electronic or telecommunication means and otherwise on subjects useful to the individual and beneficial to the public in furtherance of its charitable purposes, including its findings on its scientific research.

ARTICLE X

Fiscal Year

The fiscal year of the corporation shall be the calendar year.

ARTICLE XI

Amendments

The Board of Directors shall have the power by three-fourths (3/4) vote to make, alter, amend and repeal the Articles of Incorporation or Bylaws of the corporation. Any Bylaw amendment must be proposed at a regular or special meeting of the Board and adopted by the Board of Directors at a subsequent regular or special meeting, unless the proposed resolution amending the Bylaws is sent by U.S. mail, express mail, telefax, e-mail, or other electronic or telecommunication means to all members of the Board of Directors at least twenty (20) days prior to the meeting at which the proposed amendment is voted on and adopted.

ARTICLE XII

Advisory Committees

The Chairman may create or eliminate one or more *ad hoc* or advisory committees, and at any time may appoint or remove members after consulting with the Chair of such committee. The members of any such committee shall serve at the pleasure of the Board of Directors. Such *ad hoc* or advisory committee shall advise with and aid the Officers and the Board of Directors of the corporation in all matters designated by the Chairman or the Board of Directors. Each such committee may, consistent with these Bylaws, and subject to directives and review of the Board of Directors, prescribe rules and regulations for the call and conduct of meetings of the committee and other matters relating to its procedure.

The members of any advisory committee shall not receive any stated salary for their services as such. However, the Board of Directors may, by resolution, provide for reasonable compensation, if any, for some of the necessary expenses incurred in attending meetings of such

committees. The Board of Directors shall have the power, in its discretion, to contract for and to pay to any member of an advisory committee rendering unusual or exceptional services to the corporation, special compensation appropriate to the value of such services.

ARTICLE XIII

Executive Committee

1. Election. At any meeting during each calendar year selected by a majority of the incumbent Directors, the Board of Directors shall elect an Executive Committee consisting of the Chairman and Vice Chairman of the corporation, together with five (5) members at large, in accordance with the procedures set forth in Article V, Section 9. The designation of such committee and the delegation thereto of authority shall not operate to relieve the Board of Directors, or any member thereof, of any responsibility imposed by law.

2. Authority. When the Board of Directors is not in session, the Executive Committee shall have and may exercise all of the authority of the Board of Directors except to the extent, if any, that such authority shall be limited by resolutions adopted by the Board of Directors, and except also that the Executive Committee shall not have the authority of the Board of Directors with respect to, adopting, amending or repealing the Articles of Incorporation or the Bylaws of the corporation, or with respect to approving or recommending the dissolution, merger, or the sale, pledge, or transfer of all or substantially all of the corporation's assets; or with respect to electing, appointing, or removing Directors or Officers of the corporation or filling vacancies on the Board of Directors or Officer positions of the corporation.

3. Tenure and Qualifications. Each member of the Executive Committee shall hold office for the one-year period from the end of the annual meeting following the meeting at which he/she was elected until the end of the annual meeting held the following year, except that an Executive Committee member who is elected to fill a vacancy shall serve until the end of the next annual meeting.. A person is not eligible to become a member of the Executive Committee unless he/she has served at least one year as a Director.

4. Meetings. Regular meetings of the Executive Committee may be held without notice at such times and places as the Executive Committee may fix from time to time by resolution. Special meetings of the Executive Committee may be called by any member thereof upon not less than three (3) days' notice stating the place, date and hour of the meeting, which notice shall be written, and, shall be deemed to be delivered when deposited in the United States mail or sent by express mail service, telefax, e-mail, or other electronic or telecommunication means to the member of the Executive Committee at his/her address(es), location or number(s) as may appear on the books of the corporation, unless he/she shall have filed with the Board of Directors a written request that notices intended for him/her be mailed or otherwise communicated to some other address, in which case it shall be sent to the address(es), location or number(s) designated in such request.

All notices of Executive Committee meetings shall be sent to each member of the full Board. Any member of the Executive Committee may waive notice of any meeting, and no notice of any meeting need be given to any member of the Executive Committee who attends in person. The notice of a meeting of the Executive Committee need not state the business proposed to be transacted at the meeting.

5. Quorum and Voting. A majority of the members of the Executive Committee qualified to vote shall constitute a quorum for the transaction of business at any meeting thereof, and an action of the Executive Committee must be authorized by the affirmative vote of a majority of the qualified voting members present at or attending a meeting at which a quorum is present. Each Executive Committee Member shall be entitled to one vote, which may be cast in person or by attendance.

6. Action Without a Meeting. Any action required or permitted to be taken by the Executive Committee at a meeting may be taken without a meeting if eighty percent (80%) of all of the voting members of the Executive Committee sign a consent in writing (including electronic or telecommunication means) setting forth the action so taken. Written notice of approval of action taken without a meeting must be given to all Executive Committee members who have not signed the written consent, and (if written notice is required), approval is effective ten (10) days after written notice is provided.

7. Vacancies. In case the office of a member at large becomes vacant by death, resignation, retirement, disqualification or any other cause, the majority of the Directors then in office may elect a person to fill such vacancy.

8. Resignations and Removal. Any member of the Executive Committee may be removed in accordance with the procedure set forth in Article VI, Section 10, or may resign from the Executive Committee at any time by giving written notice to the Chairman of the Board, and unless otherwise specified therein, the acceptance of such resignation shall not be necessary to make it effective.

9. Procedure. The Chairman, or in the Chairman's absence, the Vice Chairman shall serve as presiding Officer of the Executive Committee. The Executive Committee may fix its own rules of procedure, which shall not be inconsistent with these Bylaws or any requirements imposed by the Board of Directors. There may not be proxy voting for actions of the Executive Committee. The Chairman shall serve as a voting member of the Executive Committee. The Executive Committee shall keep regular minutes of its proceedings and report the same to the Board of Directors for its information at the next meeting of the Board of Directors held after the proceedings have been taken.

ARTICLE XIV

Investments

The Elk Foundation shall have the right to retain all or any part of the securities or property acquired by it in whatever manner, and to invest and reinvest any funds held by it,

according to the judgment of the Board of Directors, without being restricted to the class of investments which the Board of Directors is or may hereafter be permitted by law to make or any similar restriction; provided, however, that no action shall be taken by or on behalf of the corporation if such action is a prohibited transaction or would result in the denial of the Elk Foundation's tax exemption under the Internal Revenue Code and its regulations as they now exist or as they may hereafter be amended.

ARTICLE XV

Exempt Activities

Notwithstanding any other provision of these Bylaws, no Director, Officer, employee or representative of this corporation shall take any action or carry on any activity by or on behalf of the corporation not permitted to be taken or carried on by an organization exempt under Section 501(c)(3) of the Internal Revenue Code and its Regulations as they now exist or as they may hereafter be amended, or by an organization contributions to which are deductible under Section 170(c)(2) of such code and regulations as they now exist or as they may hereafter be amended.

ARTICLE XVI

Rules of Order

The rules contained in the most recent edition of Robert's Rules of Order, Revised, shall govern all meetings of the Directors where those rules are not inconsistent with the Articles of Incorporation, Bylaws, or special rules of order of the corporation.

ARTICLE XVII

Trust Duties

The Elk Foundation shall have the right to solicit, receive, dispose of, and manage assets, including real and personal property, in charitable trusts and to serve as trustee for such trusts where the Elk Foundation is a charitable beneficiary. The Elk Foundation shall have the right to fulfill the statutory and equitable duties of a trustee and provide the customary fiduciary services of a trustee either through its own staff or volunteers or by contract, including but not limited to clerical, accounting, safekeeping, and investment management services.
